ESSENCE OF COFFEE.

With 12½ Cents to save four Pounds of Coffee!

THIS ESSENCE has been proved by many thousands of the richest and most respectable families, as well as by the poorer class of people, almost through the whole United States, to be by far the best preparation of Coffee ever offered to the public. Coffee made by this Essence is much more wholesome, more delicate, fine-flavored, perfectly clear, and, in every instance, superior to the finest Java coffee.

In order to give full satisfaction and proof that the above article is perfectly healthy, and to show something of the deserved reputation it has gained and justly entitled to, we amnex a few certificates and recommendations, particularly relating to health, from Dr. Booth and Dr. Chilton, practical Chemists and Analysists of the cities of Philadelphis and New York; also, from our Agents, all of whom are prominent Chemists and Druggists.

College Avenue, Tenth st., below Market st.,

Philadelphia, Sept. 4, 1861.

I have examined the Essence of Coffee manufactured by Hummel, Bohler & Co., and find that its constituents are not in the least degree injurious to health; it may be used freely and with perfect safety.

JAMES BOOTH, Profr. of Chemistry, splied to Arts, Franklin Institute.

No. 73 Chambers st., New York, Aug. 22, 1861.
I have examined an article prepared by Messrs. Hummel, Bohler & Co., of Philadelphia, called Essence of Coffee, which is intended to be used with coffee for the purpose of improving it. I find it free not only from any thing injurious to health, but, on the contrary, the ingredients of which it is composed are perfectly wholesome.

WONDERFUL DISCOVERY!

"NONE NEED DESPAIR."

Ill must admit there never has been given such a mass of genuine lestimony in Juvor of any other medicine. Give it a trial! It cures when all other remedies have failed Greater weight of testimony cannot be given—from the first man, is the constitution.

GENTLEMEN: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recom-mended me to use as a relief for the debility and general prostration of my system, the result of taking three bot ties of this wonderful compound has, I am pleased to say, resulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine. time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the injulibility of the Trincture. In my own case, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Respectfully, 198 W. Baltimore street.

MORE HOME TESTIMONY.—NONE NEED DESPAIR.
TRY IT AND BE CURED.—WONDERFUL AND PERMANENT CURE OF DYSPEPSIA.

BALTIMORS, Sept. 13, 1851.

Messrs. Mortimer & Mowbray—Gentlemen: This is to certify that in the year 1845 I was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me,) and at length all efforts failed to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the act of falling upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn, I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or scalk with any satisfaction to myself. Life seemed to be a burden to me. My feelings were gloomy beyond description.

I st length heard of Dr. Hamptosi's Vegetable Tincture, and made trial of it. I had but taken the first dose when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this invaluable Tincture, to improve daily, until I had taken the contents of three botlles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good health, and have done so for the last six years; and would say to all afflicted as I have been, to cast aside your prejudices, and try Hampton's Vegetable Tincture. Any information beside this but meage description of my case will be given cheerfully for the benefit of the afflicted. Yours, WILLIAM M

Custom-House; dwelling, Fayette st., near Fremont.

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTHORR, Sep. 18, 1861.

Messrs. Mortimer & Mowbray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely exeruciating suffering, from Chronie Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persuasion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the sillicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERRITT,
